

AUTUMN TERM NEWSLETTER

Dear Parents

I am very proud to say that I now have a website! You can find it at www.footlightsworkshop.com This means you will be able to keep up with news and events, see what our students are up to, download the re-enrolment forms and find all the information you may need. For weekly updates please 'LIKE' our Facebook page as I post regular comments on your child's class.

It has been a super term and we have been lucky enough to have some new children join our family at Footlights. It feels like they have been with us forever! A few of you have moved up into our older age group & have settled in beautifully. I love how all my students are so welcoming and have the ability to make fitting in a breeze.

My teenagers have been working on duologues this term for their presentation piece & all being well they will be ready for watching week (GCSE's permitting).

I have thoroughly enjoyed our mask work and seeing the children developing their physical & vocal skills. Exploring different accents and voices has been tremendous fun.

Mini Foots have taken me on numerous adventures but I have to say that my favourite has to be The Naughty Gnome - simply magical.
